

NEELABH DESHBHRATAR

Artificial Intelligence & Data Science Practitioner

+91 7710894774 • [Email](#) • [Linkedin](#) • [Github](#)

SUMMARY

Results-driven Data Scientist skilled in AI/ML, NLP, and Generative AI, building scalable solutions with Python, LLMs, and cloud platforms to solve complex business problems.

EXPERIENCE

Centre for Development of Advanced Computing : C-DAC
Intern, Artificial Intelligence & Generative AI

Kharghar, Mumbai
03/2024 -09/2024

- Spearheaded the development and deployment of 10+ AI chatbots and Retrieval-Augmented Generation (RAG) models, improving response accuracy to 85% and reducing latency by 30%.
- Orchestrated the design and implementation of a document editor & translator, boosting translation efficiency by 40% across 5+ Indian languages.
- Developed a chest X-ray analysis tool using ResNet and DenseNet, achieving 92% classification accuracy to support automated radiology diagnostics.

Centre for Development of Advanced Computing : C-DAC
Intern, NLP

Pashan, Pune
02/2023 -06/2023

Led the development of a resume parser model using NLP with 85% accuracy in extracting skills, experience, and education from unstructured data.

SKILLS

Programming: Python, SQL, C++, Java

Database: MySQL, PostgreSQL, MongoDB

Machine Learning & AI: Scikit-Learn, TensorFlow, Keras, NLP, Deep Learning, Langchain, OpenCV

Visualization: Power BI, Tableau, Excel

DevOps: AWS, Docker, Azure

PROJECTS

Chest X-ray Diagnosis

01/2024 - 03/2024

EDA, Data Visualization, Machine Learning, Deep Learning, Image Processing

- Diagnosed 14 different pathologies using a pre-trained DenseNet-121 model.
- Leveraged TensorFlow and Keras, achieving a classification accuracy of 92%.

Real Estate Price Forecasting

01/2023 - 02/2023

Machine Learning, Python, Regression, NLP

- Predicted real estate prices using regression models and evaluated metrics with Mean Squared Error (MSE).
- Utilized Matplotlib and Seaborn for data visualization and Pandas for data analysis, achieving 85% prediction accuracy.

EDUCATION

Parvatibai Genba Moze College of Engineering – Pune, Maharashtra
Bachelor of Technology, Information Technology | Cumulative GPA: 8.55/10.00

Wagholi, Pune,
08/2020 -05/2024
